# LAMINATE & MFC SAME COLOR

VENEER LAMINATE (BST số 05)

# VENEER LAMINATE

Ngày nay, nhu cầu sử dụng gỗ công nghiệp rất được phổ biến, thông dụng và ưa chuộng. Với mẫu mã đa dạng, chất lượng bề mặt và chất lượng in giấy ngày càng đẹp và gần gũi với thiên nhiên hơn. Thậm chí nhiều màu gỗ chúng ta không thể nào nhận biết đó là gỗ công nghiệp do giấy in được in bằng công nghệ Digital mới nhất của Cộng Hòa Liên Bang Đức.

Để đáp ứng nhu cầu của thị trường, đội ngũ phát triển sản phẩm của An Cường kết hợp với các chuyên gia của hãng Schattdecor - Công Hoà Liên Bang Đức cùng phát triển một bộ sưu tập mới gồm 15 màu gỗ giống y như veneer, bộ sưu tập này được gọi là Veneer Laminate and MFC Collection (Bộ sưu tập đồng màu số 5). Hy vọng sẽ đem đến cho khách hàng một trải nghiệm mới về sản phẩm và nhất là tăng tính cạnh tranh, thi công nhanh, độ bền cao và đặc biệt là thân thiện với môi trường.

Nowadays, the worldwide demand for industrial wood is exceedingly popular and preferred among many wood choices in the market. Combining a great diversity in design, high-quality surface, and exquisite printing paper; All contribute to a fascinating and eco-friendly product. Due to the advanced technology, many woodgrain colors are not recognizable as industrial wood since the printing paper implements the latest Digital Technology from the Federal Republic of Germany.

Intending to satisfy the market needs and requirements, An Cuong product development team cooperates with the experts from Schattdecor - Federal Republic of Germany - to develop a new collection of 15 woodgrain colors, which looks identical to Veneer. This collection is called Veneer Laminate and MFC Collection (Same Color Collection No 5). Hopefully, this new collection will provide a completely new experience to our client with the product, strengthening competitiveness, fast fabrication, high endurance, and especially environmental-friendly.
